

Upgrade Inquiry Form

Customer Name:	
Project Location (City/State):	
Contact Information (Phone/Email):	
1. What is the estimated installation date of the existing system?	
2. What brand is the existing system (Touch-Plate, LiteTouch, GE, Remcon, etc.)?	
3. What is the total number of existing loads (relays/dimmers) per panel?	
4. If the system has multiple panels, please provide the distance between them.	
5. What is the system's primary voltage (120 or 277 VAC)?	
6. Please provide a count of existing wall switches, by button configuration. For example: 10 one-button, 5 two-button, etc. Please be certain to note any that fit a multi-gang wall box.	
7. Of the existing wall switches, please note which locations have lighted buttons.	
8. What level of upgrade is desired? Basic or Advanced?	
9. If Advanced, please provide the features you are interested in. For example: timing control, dimming, scene control/grouping, or Smart control.	

*Please send this completed form along with pictures of the existing system to support@touchplate.com.
